Effective 1/1/2024

For more than ten in the family, add \$5,380 for each additional member.

Hospital Financial Assistance is based upon 125% of Federal Poverty Guidelines for eligibility of 100% assistance with a sliding scale up to 300% of Federal Poverty Guidelines for eligibility of 70% financial assistance.

The dollar amounts represent annual income limits for the Household Size within the chart. The percentage represents the discount applied to patients meeting the criteria of annual income range and Household Size.
