

Our Current and Past Residents

Current Residents - 2020-2021

Troy D. Butler, PharmD

Education: University of Kentucky College of Pharmacy Class of 2020

Professional areas of interest: Internal Medicine, Emergency Medicine, Transitions of Care

Research project: Efficacy of a medication reconciliation tool to prepare pharmacy technicians to detect high-impact medication discrepancies

Career goals: Clinical pharmacist focused on internal medicine and transitions of care within the inpatient setting, and ambulatory care practice in an outpatient clinic setting

Hobbies/interests: trying new restaurants, taking my dogs to the dog park, playing the piano, and binge watching home improvement and/or baking shows

Email: tdbutler@emhealth.org

Mary Keen, PharmD

Education: University of Kentucky College of Pharmacy Class of 2020; Bachelor of Science in Agriculture, Murray State University (2001)

Professional areas of interest: Emergency Medicine, Toxicology, and Pediatrics

Research project: Evaluation of patient perception and satisfaction of a rapid influenza and streptococcal pharyngitis point-of-care testing service within a community pharmacy

Career goals: Pursue a PGY2 residency in an area of interest yet to be determined, but hopeful that my PGY1 experiences will guide in that selection. My ultimate goal is to balance clinical and teaching responsibilities at an academic medical center.

Hobbies/interests: baking, quilting, crocheting, knitting, stained glass, photography, hiking, jogging and pet-sitting

Email: mekeen@emhealth.org
